EXECUTIVE SUMMARY

The 2021 Black Feather & Centennial Districts' Camporee is our premier fall camping event featuring Troop Patrols and Venturing Crews competing in Scout skills and fun events. Troop-sponsored Webelos and Arrow of Light Scouts are also invited to join a host unit for the festivities on Saturday.

Our Camporee is a weekend campout for Troops. It is designed to allow Scouts to participate in one of the oldest traditions in the history of Scouting. Patrols will compete in various competitions testing their Scout skills from the ranks of Scout to First Class, as well as, other fun and exciting events.

Since all Scouts are “helpful,” this year all participants will take part in a camp service project. The Scout Oath and Law will govern the behavior of all participants during this weekend event. The principals of Leave No Trace is to be practiced at all times.

WATER

Running water will be available at the Tahosa HQ during the Camporee. However, water is NOT available at individual campsites. Therefore, ALL units are encouraged to bring all your own water needed for the entire weekend!

Dehydration can occur just as fast in cold weather as in warm weather. Even faster at altitude. Camp Tahosa is at an elevation of 9,000 feet; therefore, be sure to bring extra water.

Each Scout needs to have a filled water bottle with them on Saturday. Leaders too need to stay hydrated!

LEAVE NO TRACE

Our expectation is that everyone will practice the Leave No Trace principles.

- Plan ahead & prepare.
- Travel & camp on durable surfaces.
- Dispose of waste properly.
- Leave what you find.
- Minimize campfire impact.
- Respect Wildlife.
- Be considerate of others.

FOOD

Each unit will be responsible for their own meals. If any Webelos Scouts and their parents are joining a Troop on Saturday, they should plan to eat their meals with their sponsoring Unit. As a result, all Troops must account for any visitors in their meal planning.

TRASH

The trash receptacles for the campsites are not to be used. There will be no trash receptacles on site. UNITS are responsible for removing and taking home ALL trash, including food, wrappers, and fire ashes. Basically, pack it in and pack it out!

TOILETS

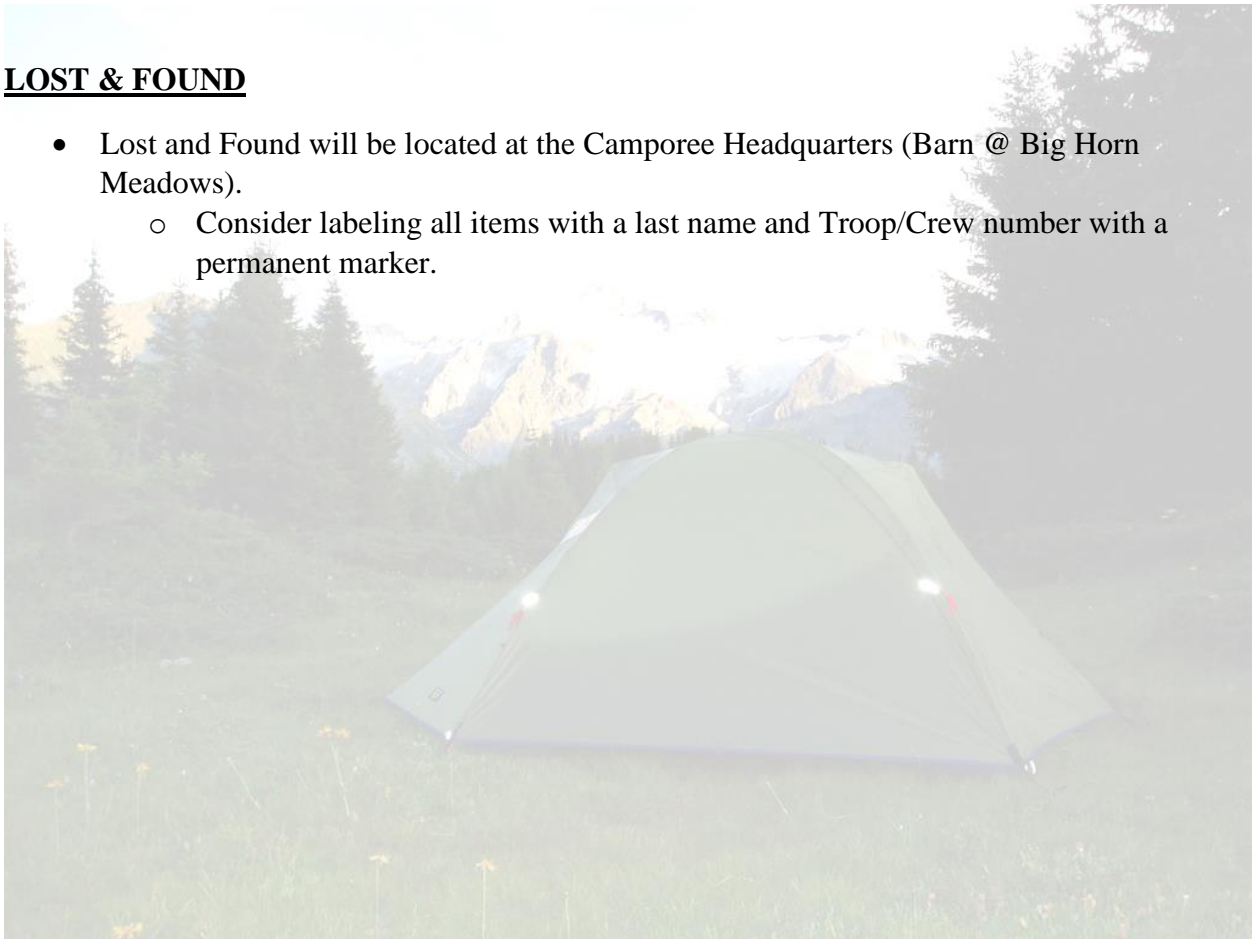

Please use pit toilets and camp latrines. Wash hands after use.

CAMP RULES

- Follow the Scout Oath & Law!
- Practice Leave No Trace.
- Only one vehicle and trailer may be parked at each campsite.

LOST & FOUND

SERVICE PROJECT

- Since all Scouts are helpful, we will be participating in various camp wide service projects. All tools will be provided; however, it is recommended that all Scouts/Scouters bring gloves.
- The way the service projects will work, is each Patrol/Unit will be either assigned to complete in the events OR they will be assigned to a Service project. Their schedule will flip in the afternoon. For example: if the patrol does their service project in the AM, they will compete in the events in the PM. However, if they do the events in the AM, they will do their service project in the PM sessions.

EVENTS

- The following is a list of “tentative” events. Our goal is to make them fun, fast, and interactive. Each event is designed to last approximately 5-minutes to avoid waiting and prevent bottle necks. Final events, rules, and guidelines will be communicated at the event.
